## HOW TO CITE RULES AND RSMO

### RULES

The rules are codified in the *Code of State Regulations* in this system—

Title		Division	Chapter	Rule
3 Department	CSR <i>Code of State Regulations</i>	10- Agency Division	4 General area regulated	.115 Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation, for example, 3 CSR 10-4.115 NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

### ***Code and Register on the Internet***

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Register* address is [sos.mo.gov/adrules/moreg/moreg](http://sos.mo.gov/adrules/moreg/moreg)

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

**R**ules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the Missouri and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

**R**ules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

**A**ll emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

**Title 19—DEPARTMENT OF HEALTH AND SENIOR SERVICES**  
**Division 20—Division of Community and Public Health**  
**Chapter 20—Communicable Diseases**

**EMERGENCY RULE**

**19 CSR 20-20.200 COVID-19 Vaccine Priority Tier Evaluation Committee**

**PURPOSE:** This rule provides the definitions and procedures to be followed by the COVID-19 Vaccine Priority Tier Evaluation Committee and Director of the Department of Health and Senior Services regarding employer requests for COVID-19 vaccine priority tier reclassification.

**EMERGENCY STATEMENT:** The Department of Health and Senior Services (“DHSS”) determined that this emergency rule is necessary to protect the public health, safety, and welfare of Missouri residents and visitors. This emergency rule is necessary to ensure that Missouri employers are able to request a reclassification of their COVID-19 Vaccine Priority Tiers in order to ensure that employees are able to receive vaccinations as soon as possible. As of this date, Missouri has had at least 467,313 positive test results for COVID-19 and at least 7,149 deaths. As COVID-19 vaccines are administered in the state, various priority tiers have been established in accordance with guidance from the CDC as well as other governmental entities. However, some employers have special circumstances that may justify

their prioritization over other similarly classified employers. Without a way for these employers to request a reclassification of their vaccine priority tier, the employees of such employers, most of whom are Missouri residents, may face increased exposure to COVID-19 instead of being vaccinated as soon as possible.

DHSS needs this emergency rule to allow the Director of DHSS to issue written decisions granting or denying an employer's request for reclassification of its vaccine priority tier. This emergency rule provides the definitions and procedure to be followed by the COVID-19 Vaccine Priority Tier Evaluation Committee and Director of the Department of Health and Senior Services regarding employer requests for COVID-19 vaccine priority tier reclassification.

DHSS finds that there is an immediate danger to the public health, safety or welfare, which requires this emergency action. The scope of this emergency rule is limited to the circumstances creating the emergency and complies with the protections extended in the Missouri and *United States Constitutions*. DHSS believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency rule was filed February 9, 2021, becomes effective February 25, 2021, and expires August 23, 2021.

(1) For the purpose of this rule, the following terms shall have the stated definition:

WHEREAS, the State of Missouri is currently in a state of emergency within the meaning of Title 49, Code of Federal Regulations Section 390.23; and

WHEREAS, a temporary suspension of current regulations on maximum driving times is critical to the safety and welfare of the citizens of the State of Missouri, in order to ensure that operators of commercial motor carriers who are assisting in the aforementioned emergency efforts within the State of Missouri can meet this emergency need for transportation of residential heating fuel.

NOW THEREFORE, I, MIKE PARSON, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and laws of the State of Missouri, hereby declare a state of emergency and order vehicles used in support of the aforementioned efforts be exempt from the hours of service requirements in Title 49, Code of Federal Regulations, Parts 390 through 399, as incorporated in state law, including but not limited to sections 307.400, 390.201, and 622.550, RSMo, for the duration of this Order.

This order applies only to residential heating fuel such as propane, natural gas, and heating oil. No other petroleum products or other fuels are covered by the exemption and suspension under this Order.

**U**nder this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

**E**ntirely new rules are printed without any special symbol under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

**A**n important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

**I**f an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

(A) The following procedures shall be followed when an individual requiring DBH funding for housing or Intensive CPR (ICPR) services is referred to or residing in a residential setting or other community living arrangement, such as a single or multiple occupancy dwelling:

1. Prior to admission, a query with the Missouri State Highway Patrol shall be completed by the administrative agent/affiliate or DBH regional community operations office to verify the referred individual's status as a registered offender. If the administrative agent/affiliate manages the query, staff must comply with department policies and procedures related to the offender query process;

2. Prior to admission, general notification must be provided to each individual (guardian, if appointed) referred to inform him/her of the potential to reside with a registered offender(s) or charged consumer(s).

A. General notification to the individual (guardian, if appointed) referred shall be issued by the administrative agent/affiliate or DBH regional community operations office. If the administrative agent/affiliate manages the general notification, staff must comply with department policies and procedures related to the general notification process. The general notice must be received by the individual (guardian, if appointed) prior to admission to the residential setting;

3. Specific notification involving a registered offender will be issued by the DBH regional community operations office.

A. The administrative agent/affiliate shall notify the DBH regional community operations office that specific notification is required when they refer a registered offender requiring DBH funding to a residential setting, or the individual being referred will be residing in the same residential setting as a registered offender.

B. Specific notification will be issued by the DBH regional community operations office prior to the admission of each individual (guardian, if appointed) referred who requires DBH funding and will be residing in the same setting as a registered offender, regardless of whether the registered offender receives DBH funding.

C. Specific notification is also issued by the DBH regional community operations office prior to admission of each individual (guardian, if appointed) requiring DBH funding in a residential setting or dwelling when a registered offender is referred for admission to the same setting, regardless of whether the referred offender requires DBH funding.

D. Individuals who require DBH funding shall not be admitted to the residential setting or dwelling until the DBH regional community operations office completes the specific notification process and notifies the administrative agent/affiliate that the individual can be admitted; and

4. Specific notification of a charged consenting consumer shall be issued by the DBH regional community operations office to each individual (guardian, if appointed) referred who requires DBH funding and will be residing in the same setting as a charged consenting consumer, regardless of whether the charged consenting consumer receives DBH funding.

A. The administrative agent/affiliate shall notify the DBH regional community operations office that specific notification is required if the administrative agent/affiliate is aware the referred

individual is a charged consumer, or if the referred individual will be residing in the same setting as a charged consenting consumer.

B. The DBH regional community operations office will determine if the charged consumer (guardian, if appointed) consents to release information of his/her charged status to DBH-funded individuals residing in the residential setting or dwelling, including the individual's name and nature and date(s) of the crime(s) for which the charged consumer would have been required to register if he/she had been convicted.

(I) Regardless of whether consent to disclose these charges is obtained, the charged consumer may be admitted to the residential setting or dwelling.

(II) If consent is obtained, the DBH regional community operations office will send specific notification to DBH-funded individuals referred to or residing in the residential setting or dwelling.

C. Individuals who require DBH funding shall not be admitted to the residential setting or dwelling until the DBH regional community operations office completes the specific notification process and notifies the administrative agent/affiliate that the individual may be admitted.

(B) Offender notification procedures shall be followed by DBH-contracted residential settings prior to admitting a registered offender or charged consumer who does not receive services from an administrative agent/affiliate or funding from DBH.

1. When a residential setting intends to admit a registered offender, and the individual is not involved with an administrative agent/affiliate and does not require DBH funding, staff of the residential setting shall notify the DBH regional community operations office. The notification must be prior to the individual's admission if DBH-funded individuals currently reside at the residential setting. The DBH regional community operations office will verify the registered offender's criminal offense(s) and date(s) for which registration is required with the Missouri State Highway Patrol.

2. When the residential setting intends to admit a charged consumer, and the individual is not involved with an administrative agent/affiliate and does not require DBH funding, staff of the residential setting shall notify DBH. The DBH regional community operations office will obtain records to verify the charged consumer's name and nature of the crime(s) for which the charged consumer would have been required to register if he/she had been convicted. Following verification of individual's charged crime(s) and date(s), the DBH regional community operations office will request consent of the charged consumer (guardian, if appointed) to disclose his/her name and nature of the crime(s) to individuals requiring DBH funding who are referred to or residing at the residential setting. If consent is obtained, the individual is considered a charged consenting consumer.

3. If there are individuals funded by DBH who are referred to or residing at the residential setting, specific notification procedures as specified in this rule must be completed by the DBH regional community operations office prior to the admission of a registered offender or charged consenting consumer.

4. Registered offenders or charged consumers shall not be admitted to the residential setting until the DBH regional community operations office completes the specific notification process and notifies staff of the residential setting that the individual may be admitted.

A. If there are no individuals referred to or residing at the residential setting who require DBH funding, notifications are not required and the registered offender, charged consumer, or charged consenting consumer may be admitted to the residential setting.

B. Staff of the residential setting shall notify the DBH regional community operations office of the registered offender

or charged consumer's admission and discharge date. The department will provide this information to the administrative agent/affiliate in the service area where the residential setting is located.

(C) The administrative agent/affiliate shall maintain a record of all DBH-funded and/or contracted residential settings in their service area(s) where registered offenders and charged consenting consumers are residing in order to inform DBH regional community operations staff when specific notification is required.

(D) The administrative agent/affiliate shall maintain a record of individuals receiving DBH funding in residential settings and dwellings.

(12) **Prescribed Medication.** At the time of admission to a residential setting, the administrative agent/affiliate shall ensure the individual has access to his/her prescribed medication.

(13) **Bedrooms.** Individuals receiving DBH funding to live in a community residential setting shall not share a bedroom with more than one (1) person unless the administrative agent/affiliate provides adequate justification for other arrangements to the DBH regional community operations office and prior approval is granted for such arrangements.

(A) Single occupancy bedrooms are required for clustered apartments, Intensive Residential Treatment Settings (IRTS), and Psychiatric Individualized Supported Living (PISL).

(B) Further restrictions regarding sharing of bedrooms may be required based on individual needs, preferences, and least restrictive environment considerations.

(14) **Discharge.** DBH funding for an individual's personal needs and room and board shall be discontinued if there are other sufficient financial resources to cover these costs.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on October 15, 2020 (45 MoReg 1596-1597). **SUMMARY OF COMMENTS:** The Missouri Highways and Transportation Commission received one (1) comment on the proposed amendment.

**COMMENT #1:** Mr. Tony Gott, PE, Chief Operations Officer, KAMO Electric Cooperative, Inc, raised the concern that MoDOT needs to provide enough lead-time for KAMO to prepare a Federally required NEPA Environmental Report and acquire the Federal environmental approval prior to commencing any future relocation project work.

**RESPONSE:** MoDOT must also comply with federal and state regulations, including NEPA. None of the proposed amendment changes to 7 CSR 10-3.010 nor 7 CSR 10-3.020 would have a negative impact on a utility partner's ability to schedule, and implement utility relocation work, nor negatively impact the NEPA approval process. No changes have been made to the amendment as a result of this comment.
